

HEAT KILLS BATTERIES

When it's 90 degrees outside, it might be more than 150 degrees under the hood. That kind of heat can ruin a battery's day. Maximize your sales by keeping plenty of Interstate® batteries on hand.

MEGA-TRON PLUS® CLIMATE SHIELD™

Climate Shield design meets high-cranking power in the newest addition to the Mega-Tron series. Mega-Tron Plus Climate Shield batteries feature unique advantages to overcome climate challenges and provide the longest-life performance in moderate to high heat climates. Now your customers have the right battery with optimal performance in Southern, warmer climates.

Mega-Tron Plus Climate Shield batteries are backed by a 30-month, free-replacement period and 6-year Performance Warranty.

Interstate® batteries deliver long life, supported by a nationwide warranty. Based on our recommendations by climate, Mega-Tron Plus Climate Shield batteries can achieve longer life with select Group Sizes.
